BECOME A CHAMPION

PARTNER \$1,000 to \$4,999

Every gift in the **Champions for Girls** giving society will be used to help identify girls' strengths, and promote a growth mindset where both achievement and the ability to learn from mistakes are celebrated. To provide the distinctive Girls Inc. Experience, we must start early and stay late in a girl's life, investing in her over time. It is an expensive process but our life-changing outcomes are priceless.

ALLY \$5,000 to \$9,999

Your gift of \$5,000 supports the importance of creating spaces that are "girls only", where their worries, their strengths, their ideas and dreams are taken seriously, and they feel the safety and freedom to envision a positive future.

ADVOCATE \$10,000 to \$24,999

Your investment of \$10,000 brings trained adults together with girls in a sustained, mentoring relationship that draws out girls' abilities, builds their skills and helps them see how they can succeed.

LUMINARY \$25,000 to \$49,999

Your investment of \$25,000 shows your commitment to ensuring that each girl has the tools to manage wise decisions about eating, exercise and relationship questions, becomes educated and builds a plan for an independent future, and grows to be a competent and confident adult woman.

VANGUARD \$50,000+

Your gift of \$50,000 expands our ability to support the delivery of a breadth of experiences in programs that meet girls where they are, connect to interests they already have, and expand their horizons into areas they may never have imagined existed: from exploring STEM fields leading to higher-paying careers, to building practical money management skills and confidence; from fun physical activity to positive body image and media savvy; from partnering with schools on college readiness and preparation to visionary future planning.

The Girls Inc. **Champions for Girls** giving society brings together individual philanthropists from across the U.S. and Canada who are dedicated to inspiring girls to be strong, smart, and bold. This network of women and men are part of a community of advocates for Girls Inc. who are engaged locally and nationally to create long-lasting, positive changes.

As a member of Girls Inc. **Champions for Girls**, you allow more girls to participate in life-changing programming that awakens the hidden potential inherent in each girl. By connecting girls with trained mentors and delivering research-based curricula, Girls Inc. provides girls with the education, encouragement and guidance they need to succeed in life as healthy, educated, and independent women.
