honor industry leaders who inspire girls to be  
**strong, smart & bold!**

Girls Inc. provides a powerful combination of programs, research, skills, resources, opportunities, exposure, real-world experiences and advocacy that inspires girls and young women ages 5-18 across Long Island to be **strong, smart, and bold**. As a leader on issues impacting girls, **Girls Inc. bridges the gap between academics and successful living, preparing girls for economic independence and confident adulthood.** With programs grounded in research and tested in their field, our organization celebrates and empowers girls and advocates for an equitable world. We deliver informal, engaging, age-appropriate information that is essential to helping girls develop the skills and self-confidence necessary to navigate the challenges of growing up female in today's society.

**This past year, Girls Inc. of Long Island proudly served over 800 girls across Nassau and Suffolk** through school-based programming, workshops, summer camps, empowerment and leadership conferences, all provided at low or NO COST to the girls we serve. Program areas include but are not limited to **Media Literacy, Economic Literacy, STEAM (Science, Technology, Engineering, Arts & Math,) Leadership and Community Action, Friendly PEERsuasion (an evidence-based program designed to prevent substance abuse) and Healthy Relationships.** Our goal for 2019 and beyond is to expand our programs throughout Nassau and Suffolk Counties, and serve even **more** girls with impact! **Your support can help achieve these goals.** For more information about Girls Inc. of Long Island visit [www.girlsincli.org](http://www.girlsincli.org).
